

Pro Audio Middle East

May - June 2010, Page 69

SHOW REPORT

These have been an important part of TSL's business explained TSL director Chris Exelby, and have been selling worldwide. Sonifex exhibited its new range of audio meters as part of its Reference Monitor range. It showed eight monitor meters, five rack-mounted and three freestanding offering metering between one and four stereo audio sources. It also had on show its new RB-dd4 four-channel digital audio delay, and its new RB-DMX4 4x4 channel digital audio mixer/router.
